DECLARATION AGAINST MODERN SLAVERY AND SLAVE TRADE

Elettrotec S.r.l. is committed to ensuring a good business environment and high ethical standards, towards its employees and the entire logistics chain.

Elettrotec is a reference point of the global market, specialized in the design and production of devices for the measurement and control of thermodynamic and hydraulic parameters of fluids, both in the Industrial and Mobile sectors.

Due to the technical and professional nature of our sector, we believe that the risks of Elettrotec's involvement in modern slavery or slave trade are non-existent, moreover, we are not aware of any situation that could be considered as a case of violation of workers' rights.

Elettrotec s.r.l. is also committed to enforcing its zero tolerance policy towards slave trade, modern slavery within our logistics chain.

Best Regards,

Angelo Colombo
