

# Certificate of Compliance

## Certificate Number(s):

UL-US-L314680-21-  
92700102-1

## Report Reference:

E314680-20100729

## Issue Date:

2026-04-14

Issued to:

**ELETTROTEC SRL**  
**Via Jean Jaures 12, Milano, MI, 20125, IT**

This certificate confirms that representative samples of:  
**NKPZ2 - Motor Controllers, Float- and Pressure-operated - Component**

**See Addendum Page for Product Designation(s).**

Have been evaluated by UL in accordance with the component requirements in the Standard(s) indicated on this Certificate. UL Recognized components are incomplete in certain constructional features or restricted in performance capabilities and are intended for installation in complete equipment submitted for investigation to UL LLC.

**UL 508, Edition 19, Issue Date 2024-10-28**

Additional Information:

See UL Product iQ® at <https://iq.ulprospector.com> for additional information.

This Certificate of Compliance indicates that representative samples of the product described in the certification report have met the requirements for UL certification. It does not provide authorization to apply the UL Recognized Component Mark. Only the Authorization Page that references the Follow-Up Services Procedure for ongoing surveillance provides authorization to apply the UL Mark.

Only those products bearing the UL Recognized Component Mark should be considered as being UL Certified and covered under UL's Follow-Up Services.

Look for the UL Recognized Component Mark on the product.

David Picuch  
UL Mark Certification Program Manager

Any information and documentation involving UL Mark services are provided on behalf of UL LLC (UL) or any authorized licensee of UL. For questions, please contact UL Solutions Customer Service at <https://www.ul.com/contact-us>.

# CERTIFICATE OF COMPLIANCE

**Certificate number(s):** UL-US-L314680-21-92700102-1  
**Report reference:** E314680-20100729  
**Issue Date:** 2026-04-14

This is to certify that representative samples of the product as specified on this certificate were tested according to the current UL requirements.
